Clover® Station Duo
for Full Serve Restaurants

Specialized point-of-sale and all-in-one business management for your restaurant.

The all new Clover Station Duo provides owners with a simple, yet powerful, business management system designed specifically for full-service restaurants.

Perfect for single or multi location restaurants, Clover Station Duo comes out of the box ready to go:

- Track individual customer orders for any party size; course firing
- Split-check and issue individual checks
- Seamlessly connect and communicate with both front and back of house
- Table mapping; assign tables
- Pre-authorize bar tabs
- Take orders and payments at the table
- Offer Scan to Pay; QR payment acceptance through Apple Pay®

Advanced functionality:

- 14" HD display
- 7" HD customer facing display
- Wired LAN and WiFi connectivity
- Fingerprint login capabilities
- End-to-end encryption and data tokenization
- Integrated EMV® chip sensors
- Super-fast Qualcomm Snapdragon 660 Octa Core Processor
- EMV(R) Chip & PIN/Signature Alipay, WeChat Pay and contactless

Perfect for any size full service restaurant, contact us today to learn more about how to put Station Pro to work for your business.
