

# Clover® Station Duo for Retail

Engage with customers like never before with Clover Station Duo, a smart, yet simple, all-in-one business management solution engineered to let you run your store efficiently and seamlessly.

## With the Clover Station Duo, you put the customer in control.

The new outward facing smart terminal enables customers to confirm orders, sign up or activate loyalty programs, and expedite their individual checkout experience on their own.

### For store owners, key advantages include:

- View and analyze daily activity reports
- Track and order inventory and supplies
- Easily implement loyalty, gift card and cash discount programs.
- Create staff schedules and manage attendance
- Adapt your business with over 200 free and paid Apps

### Advanced functionality:

- 14" HD display
- 7" HD customer facing display
- Wired LAN, WiFi and 4G LTE connectivity
- Fingerprint login capabilities
- End-to-end encryption and data tokenization
- Integrated EMV® chip sensors
- Super-fast Qualcomm Snapdragon 660 Octa Core Processor
- EMV(R) Chip & PIN/Signature Alipay, WeChat Pay and contactless

**And, it's ready to go, right out of the box.**
