Joining the Clover Family August 12, 2022

This Clover Mini is still well-suited for a variety of verticals and segments – including services, retail, and some restaurants – but with better upgrades! *

New Major Features for the New Mini:

- Compact countertop smart POS now with an 8" screen
- LTE enabled – along with Ethernet, Wi-Fi and mobile hotspot connectivity options
- Top-centered camera with LED privacy indicator
- Dedicated tactile volume control buttons
- New payment flow UI
- No more battery operation time – graceful shutdowns only!

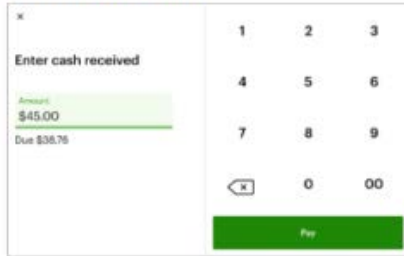

Please note, the Clover Mini device will be available to order via CoPilot on August 11th, and via AccessOne and FDPOS on August 12th.
